

# Project Fact Sheet #23

**Project Name:** Rockbridge to Davis Parallel Access Route

**Cost:** \$2,149,108 [programmed Chambliss HPP / GW334 / 8035 / F-0558-04]

**Detailed Description and Justification:** This project consists of constructing parallel access south US 78 between Sharp Trail and Davis Road, in Gwinnett County, Georgia. This project is aimed at preserving the capacity along US 78 by removing any unnecessary vehicle trips associated with the commercial uses located south of US Highway 78. Additionally, the project will improve mobility and enhance safety along the US 78 Corridor. This project shall serve as a form of “Access Management” that can be associated with the GDOT Safety project, which removes the reversible lane system. In order to promote pedestrian activity within this Corridor the design for this project will include sidewalks, pedestrian crossings, pedestrian refuge islands and landscaped buffers.

**Service Type:** Parallel Access Street

**Sponsor:** CID/Private/County/State/Federal

**Jurisdiction:** Gwinnett County

**Target Completion Date:** 2009 [Gresham Smith and Partners consultant]

**Corridor Length:** approximately 1,400 feet
